**Supplemental Reply
Amendment and
Resubmital of amended set of claims.**

Honorable Assistant Commissioner of Patents
and Trademarks
Washington, D.C. 20231

Sir:

In response to the Office Action mailed 4-21-04, applicants resubmit the section of amended claims in replacement of the claims submitted in the reply received in the USPTO January 23, 2004. Please replace the original section of amended claims with the attached section of amended claims. Status identifiers are corrected as noted by the Office. A petition for extension of time accompanied by the fee is included in this response.

Remarks:

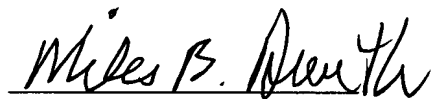

Claim 1: Applicants noted claim 1 previously submitted contained a non-elected alternative in step (b) that is directed to withdrawn species B2. This is deleted. The clause noted by the Office as missing in step (c) is inserted.

Claims 45-48 are indicated as withdrawn and presented in amended form.

The status identifier for claims 50-94, 96 and 98 is "canceled".

The status identifier for claim 19 is "withdrawn" as claim 19 is directed to distinct species B2.

Respectfully submitted,

A handwritten signature in black ink, reading "Miles B. Dearth". The signature is written in a cursive style with a horizontal line underneath the name.
